PROFESSIONAL EXPERIENCE

Time Flow AI

Founder | Product Developer

Remote

November 2025 – Present

- Built and launched a productivity app for tracking time allocation and identifying inefficiencies through structured data.
- Developed an AI scheduling assistant that automatically places tasks and habits based on user calendars and preferences.
- Integrated email & calendar data to optimize schedules by balancing priorities, deadlines, availability, and constraints.
- Built a habits dashboard that uses behavioral data to track consistency, highlight gaps, and gives AI recommendations.

AI Automation & Data Tools Development

Project Lead

Remote

May 2025 – Present

- Reduced manual work by 20 hours per week and cut reporting errors by 80% through workflow automation optimization.
- Built custom data web scrapers and Python scripts to extract and analyze real-time market data from competitor sources.
- Integrated APIs from Google, Excel, and social platforms to automate data reporting, ad performance tracking, and CRM.

Lakeside Bank

Credit Analyst / Underwriting Intern

Chicago, IL

May 2023 – August 2025

- Analyzed loans by modeling financial data for underwriting risk. Supported origination for totals of over \$8.5M in loans.
- Created pro forma models and risk memos to support investment decisions during weekly credit committee discussions.
- Compared borrower financials, market comps, and property-level metrics to evaluate deal structure and risk exposure.
- Authored case for increased retail investment based on investment asset class analysis, gained support from the COO.

Sole Haven LLC

Business Startup Owner

Chicago, IL

February 2023 – October 2024

- Founded a sneaker resale start up using Shopify, improving upon previous skills, learned Python for front end design.
- Conducted market research and trends analysis, adjusting strategies to achieve \$200,000+ in gross sales in the first year.
- Designed AI-powered automations to improve customer experience and reduce repetitive tasks, increasing productivity.

Business Startup Owner

Nothing But Athletes

Chicago, IL

May 2021 – August 2023
